TWEENS Summer Reading Club 2017

Friday, June 16 - Saturday August 19

Summer Reading Club 2017 for Tweens
(Completed Grades 4-6)
Welcome! This year we are continuing the special part of our Summer Reading Club for our older members. Working together, fourth-to sixth-graders will be logging page amounts to try to reach our ultimate goal of 100,000 pages. There will be a Grand Prize for the person reading the most pages, and the Colossus raffle, just for this age group!

All you have to do is register, either online or at the library, beginning Friday, June 16, all the way to Saturday, August 19. Then, beginning Monday, June 26, tell us about what you're reading, either here (bring your books; 300 pages a day) or online, 100 pages at a time. At the end of a book, if more than 50 pages are left, round up to 100.

Report just once to help us reach our goal, and you’ll receive an invitation to a special celebration for Tweens that will take place on Friday, August 18 after the library closes!

After reading 300 pages, you’ll get an invitation to our Indoor Family Mini-Golf Event!

Commenting on your first 100 pages earns you a prize, bookmark, pencil, tattoo, contest forms - Estimation Station, Character Hunt, a Building Designer and an Above and Beyond handout - and an invitation to the “Tweens-only” party.

**After 300 pages:** receive an Indoor Family Mini-Golf invitation, coupons for McDonald’s and Chipotle, another prize, and your name sent to your school for the Reading Honor Roll.

**After 500 pages:** receive a prize, a raffle for our super stupendous, Colossus prize drawing - for completed 4-6 graders only - and your name on our Library Wall of Fame!

For every 500 pages after that, receive another Colossus raffle.

Remember, a Grand Prize will be awarded to the person reading and commenting on the most pages. Second and Third place finalists will also take home a prize.

The highest scorers and the Colossus raffle winner will be announced at the Tween celebration on Friday, August 18.
