Navigating Kanopy:

 Along the top of your screen, tap Kanopy to view the homepage, Browse to select a genre, Search to enter a specific term (title, series, actor, etc.), Kids to enter Kanopy Kids, Tickets displays your remaining tickets for the month, and Your Name to access your account / help.

Loan Period:

- All titles that use tickets will display how many tickets the title will use to play and how long you have to watch the film (yellow box).
- If the loan period runs out before you finish the film, you will need to check it out again, using more tickets.

Parental Controls:

- Tap on Your Name (green box), then My Account, then Parental Controls.
- Set a 4-digit PIN that will be required in order to exit Kanopy Kids. This ensures your children will not be able to exit the kids section without your permission.
- Please Note: you will need to enter the kids section (red box) upon opening the app.

Continue Watching:

- To return to an unfinished film, go to the Kanopy homepage.
- The continue watching section will be two or three rows down. Here you can see all of your current checkouts and how much time you have left to watch them (blue box) in the upper right corner of each tile.
