ISLIP PUBLIC LIBRARY HOME CONNECT DELIVERY PROGRAM

Thank you for your interest in the Islip Public Library's Home Connect Delivery Service. Only large print books are eligible for delivery through this program; they may be borrowed for a period of six weeks. Some restrictions may apply to some of our newest materials, and the Library may cap the number of monthly deliveries.

Since we are providing materials for extended loan, we ask that you kindly return them in a timely manner. Items that are not on hold for another patron are usually available for renewal. We will be happy to place holds on items for you if you wish to do so.

You may call the Library and ask for the Adult Reference Desk if you have any questions about this service. Please complete the application and return it to the Islip Public Library to participate in this program. We look forward to speaking with you soon.

Sincerely,

Mark Irish

In signing this application for mailbox library service via the US Postal Service, you give permission for an Islip library staff member to check out large print materials for you. The information you provide on this application is confidential and will verify your status as “homebound,” which is a US Postal Service requirement in order for us to mail library materials to you. Use of a home connect library card by/for persons other than the applicant is prohibited and will result in the loss of special borrowing privileges. The special home connect library card must be renewed every three years and a new application must be provided at that time. If your disability is temporary, your home connect library card will expire on the date indicated by your medical professional on your application. Home connect borrowers will receive regular overdue notices and bills to remind them of outstanding materials, although they will not be required to pay overdue fines. All library patrons are expected to return materials in a timely manner. If materials are not returned in a timely matter, home connect services may be discontinued. Damaged materials are the responsibility of the borrower. You may call the Library and ask for the Adult Reference Desk if you have any questions about this service.
