

LIBRARY VISION, MISSION AND VALUES

Vision

We aspire to...

be an inviting community destination for all generations to learn, explore, create, gather, connect, and reach potentials.

Mission

Our role in the community is to...

support literacy, lifelong learning, leisure enrichment, and cultural opportunities for residents through excellence in collections, services and programs.

Values

The Library enthusiastically embraces...

1. Intellectual Freedom: we champion open, inclusive access to library resources which interest, inform, and enlighten all people, regardless of point of view.
2. Customer Service: we aim to offer an exceptional customer experience and look for opportunities to say yes.
3. Excellence: we focus on quality and consistently aim high in delivering resources, services, and an environment that positively impacts our guests.
4. Innovation: we respond appropriately to emerging practices and technology in library and information science and anticipate changes in our community. We are creative and flexible. We embrace change.
5. Expertise: we seek to develop and provide a knowledgeable, approachable staff that is passionate about service, works as a team, and goes the extra mile.
6. Stewardship: we seek to be good stewards of the Library's facility, finances and material resources.
7. Confidentiality: we protect user privacy.
8. Honesty, Trust, Integrity and Respect: in our actions and attitudes, we treat each other and our patrons as they would like to be treated, recognizing the richness and qualities each of us brings to the Library.

9. Community: we want to strengthen community by fostering literacy, learning and engagement. We want every resident to utilize library services.
